

NationalFootwear.com Return Instructions

- *Try on your new shoes indoors, preferably on carpet.
- *When you try on your new shoes , wear the same type of socks you would wear with this type of footwear.
- *If the heel feels too tight when trying on your news shoes, you may need a larger size. Consider a half size larger if your toes touch the front of these shoes.
- *If your shoes feel tight at the side of the shoe across the top, you probably need wider shoes.
- * Remember your Leather shoes do give, a well made shoe should mold itself to your feet with time, but keep in mind they must fit comfortably from the beginning.

Return Policy

If you are not satisfied with the style, size, quality, comfort, or fit of your purchase, you may return the new, unworn shoes in their original condition and shipping packaging, within 30 days of receiving them, for an exchange of the correct size, or a refund.
